

Profile [Moderator]

Name: Dae Sup SO

Nationality: Republic of Korea

Position: Principal Researcher, Director

Affiliation: Korea Institute of Science and Technology Information

E-mail: dasus@kisti.re.kr

EDUCATION

1982-1986 Dept. of Chemical Engineering, Hanyang University (B.S.)

1987-1989 Dept. of Engineering Chemistry, Hanyang University (B.S.)

2003-2010 Dept. of Nanotechnology, Hanyang University (Ph.D.)

PROFESSIONAL ACTIVITIES

Present Principal Researcher & Director in Korea Institute of Science and Technology Information(KISTI)

2017-present Member of Steering Committee on Evaluation of National Science and Technology Council

2013 Senior Research Fellow of Presidential Advisory Council Science & Technology

2010-2012 Dept. Director, National Nanotechnology Policy Center, Seoul, Korea

1989-present Principal Researcher & Director, KISTI, Seoul, Korea

2012-present Associate Professor, University of Science & Technology, Daejeon, Korea

2011-2012 Visiting Scholar, Carnegie Mellon University, USA

2012 Chair, Publicity Session in Program Committee of Nano Korea 2012

2010 Co-chair, Publicity Session in IEEE 2010 Nanotechnology / Nano Korea 2010

2003-present Consultant and Member of the Committee for Korean Government for Policy Planning about Advanced Technology, e.g., '3rd Phase National Nanotechnology Plan (2011)'

2003-2013 Advisory Committee and Steering Committee Member, US-Korea Nano Forum

AWARD AND HONORS

2017 Achievement Award from Korean Society of Industrial Chemistry

2016 Commendation by Minister of MSIP of Korea

2016 Best Poster Award from Korean Society of Industrial Chemistry

2009 Nano Korea Award, 2009; Contribute to Publicity & Promotion for Nanotechnology

RESEARCH INTERESTS

Policy, Information Analysis and STI on Advanced Science & Technology

Synthesis and Application of Nano Materials
